

**IN A CLASS OF ITS OWN:
WORLD-CLASS ASSESSMENT SOLUTIONS
FOR ACADEMIC INSTITUTES**

The key challenges that an academic institution often face in assessing candidates are often related to administration of assessment solutions. Apart from discharging the crucial tasks of imparting quality education, academic institutes are greatly burdened in having to perform numerous exacting and time consuming tasks related to conducting examinations:

Increasingly, global universities are waking up to the wisdom of outsourcing activities like managing applications, conducting examinations and processing of results. This paradigm shift is enabling universities to free their critical resources to devote time to core activities of learning and development. Today, education sector ranks as the largest consumer of professional assessment services worldwide.

The Top-of-the class assessment solutions provider to educational institutions : Attest

Since its inception, Attest has been offering end to end assessment solutions to educational institutions of national repute. A subsidiary of Aptech Ltd. a leading global learning solutions provider.
